**Topic for the Evening:** Exhibiting Revenues (Ian Culshaw)

(1) Ian displayed 8 frames of Western Australia revenues and asked for suggestions and comments on how to revamp or rearrange this exhibit. The display included some powerful material, recently acquired. The exhibit was very well presented.

Ian received many useful comments from the people in attendance.

(2) Rod Kantor presented a work in progress titled “Southern Rhodesia Revenues”.

Rod provided some notable varieties and documents to enhance his exhibit. We felt that the exhibit could be expanded easily into at least 3 frames with the rearrangement and the use of quality documents he possesses in reserve. Looking forward to view this exhibit when rewritten..

Mike Kouwen tendered a vote of thanks.
