NOMINATION FOR PRESIDENT

What has gone wrong with this Society? No new members nominated for the Committee, and worst of all no nomination for President. Please make certain that you are at the Annual General Meeting to make certain that this Society can elect a President from the floor of that meeting.

LACK OF MATERIAL FOR STAMP HINGES

If you have any ideas what should be published in Stamp Hinges please contact the editor. It was always the policy that details of new issues etc. that is in other publications would not be repeated. However the editor receives no other material. To make the publication the normal size included in the centre in yellow is advice for submitting auction lots.
