DID YOU KNOW?

The Southern Collectors Club (founded in 1922 and based in Victoria) had a branch in Western Australia in June 1925?

Its ‘official organ’ reported

An active branch of the Club which was recently formed in Perth, Western Australia is going ahead wonderfully well. Meetings are held on the first Thursday of each month. About 40 members and visitors were present at the last meeting, and quite an enjoyable meeting was spent. Some very interesting papers were read on “How to collect. What to collect, how to house the collection, Australian Commonwealth stamps etc.”

An address has been given at one of the principal schools to an audience of about 250 boys. Western Australia is experiencing quite a boom, as many new members are being enrolled.

Meetings are held at the Housewives’ Association Room, No 3, National Chambers, Barrack St, Perth.

In 1929, a local stamp exhibition was held in connection with the W.A. Centenary Celebrations with only the stamps of Western Australia being displayed.

Thanks to Ross Duberal for the Article above
